WORK EXPERIENCE

- 2014 - 2022** **Skanska Industrial**
SUPERVISOR / PROCESS OPERATOR
Computer-controlled asphalt manufacturing, repairs, maintenance, lead the staff during daily operations. A fun and versatile role that taught me a lot.
- 2013 - 2014** **Svedea Försäkringar**
IT-TECHNICIAN
IT-Technician on an insurance company with focus on support and daily operations. I did everything from running the company's servers to supporting the users. A part of the job was also system administration and being available 24/7 from time to time.
- 2008 - 2011** **OneMed AB**
SUPERVISOR
I had the role of supervisor for a team of 8, and we were responsible for packing and delivering sterile equipment to hospitals. The job involved managing staff, quality controls, making improvements and administration.

EDUCATION

- 2023** **CodeInstitute**
FULLSTACK DEVELOPER
Six months of full-time fast track education, where I choose React as my specialization field. During the course, we had five portfolio jobs with various tasks, everything from Django, building APIs to a crud operational website with React.
- 2011 - 2013** **Jensen Education YH**
IT-TECHNICIAN
Two years of education to become an IT Technician with IT safety as a primary skill.
